WHEREAS, all parties desire to provide an efficient framework for the discovery of expert witness-related materials; and

WHEREAS, all parties through their respective counsel of record have considered the expert witness discovery provisions of Federal Rule of Civil Procedure 26 and agreed upon the proposed modifications and supplementations described herein;

NOW THEREFORE, all parties, through their respective counsel of record, stipulate to the following regarding expert discovery in the above-captioned matters and all other matters subsequently consolidated with them (collectively, the "Actions"), subject to approval by the Court.

- This Stipulation and Order Concerning Testifying Expert Discovery ("Stipulation") does not set or alter the time for any disclosure required by Federal Rule of Civil Procedure 26(a)(2)(B) or the timing of any disclosure and deposition of any testifying expert as set forth in the Joint Stipulated Case Management Order [Dkt. No. 127 in 4:20-cv-03919-CW and Dkt. No. 94 in 4:20-cv-04527-CW].
- 2. To the extent this Stipulation imposes limitations on discovery that would otherwise be available under the Federal Rules of Civil Procedure, including but not limited to Rule 26(b)(4)(C), the parties have agreed to those limitations to increase the efficiency of their dealings with testifying experts and to minimize discovery disputes regarding testifying experts. Neither the terms of this Stipulation nor the parties' agreement to them shall be an admission by any party that any of the information restricted from discovery by this Stipulation would otherwise be discoverable or admissible. The term "expert" as used herein refers to a witness a party may use to present evidence under Federal Rule of Evidence 702, 703, or 705.
- The information required to be disclosed by Rule 26(a)(2)(B)(ii) is modified from 3. requiring "the facts or data considered by the witness in forming them" to instead require disclosure of "the data or other information relied upon by the witness in forming them."

- 6. Subject to sub-paragraphs (a) and (b) below, within three business days of any party serving any expert report and/or expert declaration under Fed. R. Civ. P. 26(a)(2)(B), the party or parties proffering the expert witness shall produce: the data or other information relied upon by the expert witness in forming the expert witness's opinions; any exhibits used (or that will be used) to summarize or support the expert witness's opinions; the expert witness's qualifications, including a list of all publications authored in the previous 10 years; a list of all other cases in which, during the previous four years, the expert witness has testified as an expert at trial or by deposition; and a statement of the expert's hourly rate and compensation to be paid for the expert witness's study and testimony in this case.

6	to such waiver.	
7	8. No subpoenas (for deposition	s or documents) need be served on any testifying expert
8	from whom a report or declaration is provide	ed. Instead, the party proffering such expert will (a)
9	produce all "data or other information relied	upon" by the expert, consistent with the terms of this
10	Stipulation, and (b) make the expert availabl	e for deposition at a time mutually agreed to by the
11	parties and consistent with the Court's sched	luling orders.

14	support her or his opinion(s).	
15	The parties agree to comply with this	Stipulation and Order pending the Court's approval.
